SHAFTER IS RETIRED.

He Leaves the Army After Long
and Valuable Services.

YOUNG IS IN CHARGE

Four Volunteer Regiments also Mus-
tered Out, Requiring \$1,000,000
to Pay Them Off—Three Reg-
iments Only Remain.

San Francisco, July 1.—Two important military events occurred at the Presidio Sunday—the retirement of Major General W. B. Shafter and the mustering out of four volunteer regiments. General Shafter went on the retired list at noon, when he formally transferred the command of the department of California to General S. M. Young.

In the afternoon the Forty-fourth, Forty-ninth, Forty-eighth and Thirty-eighth volunteer regiments were mustered out. The mustering out of the four regiments required the services of eight paymasters. Over \$1,000,000 was disbursed.

As soon as the volunteers had been mustered out they rushed to the railroad ticket offices for transportation to their eastern homes. Both the Santa Fe and Southern Pacific ticket offices put out extra forces of clerks. The ticket offices were crowded till late in the night with discharged volunteers buying tickets. Nearly 4000 tickets were issued.

The remaining volunteer regiments to be discharged are the Forty-third, Forty-seventh and Forty-first. They will be paid off today. The volunteer army will then have passed into history.

Want Opening Date Delayed.

Austin, July 1.—At the request of Congressman S. L. Stayden of San Antonio, and J. W. Kehrmot and A. P. Coleman, cattlemen of San Antonio, Governor Noyes has wired Secretary of the Interior Hitchcock asking him to delay the opening of the Kiowa, Comanche and Apache reservations to Aug. 1, from July 6, the date originally agreed upon by the department at Washington. The reason they ask for the delay in opening the reservations is to give the cattlemen time to remove cattle from the reservations. Congressman Stayden stated that if the request is not granted by Hitchcock it will create a panic in the cattle market, as cattlemen will be unable to get the stock out of here by July 6. The governor urged the secretary of the interior to grant the request.

Clash of Authorities.

Butte, Mont., July 1.—The city and county authorities are likely to clash over the betting at the race track. The city authorities are in favor of making Butte a wide open town in spite of the law against gambling. The county attorney has instructed all officers under his jurisdiction to enforce rigidly the anti-gambling laws and has even gone to the extreme of raiding places where cards were being played for drinks. The city police authorities have now threatened to stop all betting at the race track and to arrest the managers of the track if it is persisted in.

Threshing Engine Wrecked.

Red Bird, Ills., July 1.—Passenger train No. 6 on the Mobile and Ohio, in charge of Engineer Thorpe and Conductor Harper, collided with a threshing machine five miles north of here, completely demolishing the threshing outfit, the crew of which saved their lives by jumping. Engineer Thorpe stuck to his post and was internally injured, his fireman being compelled to take the train into St. Louis after the track was cleared. The accident happened at Rattlesnake bend, one of the most dangerous crossing points on the line.

Charged With Train Wrecking.

Connellsville, Pa., July 1.—Five negroes who gave fictitious names were arrested here and taken to Greensburg, charged with wrecking a southwestern express near Greensburg Saturday, in which number of passengers were injured. The detectives are sure of their men and say the wreckers were discharged from the John Robinson circus and sought revenge by trying to ditch the circus train. The passenger train came along ahead of the circus train and was wrecked.

Condition of Cotton.

New York, July 1.—The Journal of Commerce says the condition of cotton according to replies received by that newspaper from a valuable list of correspondents, shows a decrease of 4½ points compared with the June report on condition promulgated by the department of agriculture. Returns from about 1100 correspondents have furnished the data on which a general average condition of 77 for the entire cotton belt has been obtained.

Sánchez Will Hang.

Silver City, N. M., July 1.—Governor Otero has refused to interfere further in the case of Jose Sanchez, sentenced to hang July 5. Sanchez was to have

been hanged on June 1, but was respite in order that his sanity might be investigated. On the report of the investigators Governor Otero refused to interfere again.

Appeal for Barker.

Trenton, N. J., July 1.—Counsel for Thomas Barker, sentenced for five years in state penitentiary for assaulting Rev. Dr. Kehler at Arlington, have taken out a writ of error which will carry the case to the court of errors and appeals. In the meantime Barker will be at liberty.

TESTING THE TAX.

South Carolina Resisting Payment of Tax
as Required of Individuals.

Washington, July 1.—The state of South Carolina has begun proceedings before the new collector of internal revenue to test the question whether the state can be legally required to take out special tax stamps as wholesale and retail liquor dealers under the South Carolina dispensary law and has made a demand upon the commissioners for a refund of all such taxes hitherto paid, amounting to \$910. The question involved is whether the internal revenue laws of the United States apply to the dispensary system of South Carolina so as to entitle the collector to demand the payment of these taxes. In the brief filed with the commissioner of internal revenue on behalf of the state it is contended that there is nothing in the laws of the United States authorizing the collection of internal revenue taxes which authorizes the imposition of a tax against a state or its instrumentalities of government and that such an act containing any provision taxing the instrumentalities of the state government would be to that extent unconstitutional.

It is contended further that the property of a state and the means and instrumentalities employed by it to carry its laws into operation, cannot be taxed by the federal government and an opinion of the late Judge Cooley on this question is quoted.

Commissioner Yerkes has the South Carolina claim for refund of taxes under consideration, but has rendered no opinion yet. It is believed he will hold that the state must pay the tax. The supreme court will be called upon for a final decision.

TERRORIZING MINERS.

Nine Persons Arrested for Shooting at
All Not Giving the Sign.

Timber, W. Va., July 1.—During Saturday night Detective T. L. Feltz, assisted by John Justice, a deputy United States marshal, and a posse of six men, went to the Kentucky side of the Tug river and captured nine persons who are charged with terrorizing the miners on the West Virginia side of the river for the past 10 days by shooting at all who could not give the proper miners' sign as they passed and repassed along the railroad.

They were all lodged in jail at Williamson to await the action of the Kentucky courts. The nine men were surprised while asleep with their Winchesters under their pillows and surrendered without much resistance.

Charles Burke, president of the local union of the United Mine Workers of America, has been arrested by Deputy United States Marshal Hufford and Detective T. L. Feltz and taken to Parkersburg to appear before Judge Jackson on the charge of tearing down the notices of the injunction granted by Judge Jackson.

Ran Into Picnic Wagons.

Chicago, July 1.—One person was killed and nearly a score of others were injured Sunday in a collision between an electric car on Irving park boulevard and two wagons loaded with picnickers. The wagons were overturned and the occupants were crushed and bruised by the heavy wagons and the stamping of the frightened horses. The motorman and conductor of the car were arrested.

Dr. Sunderland Dead.

Catskill, N. Y., July 1.—Rev. Dr. Byron Sunderland of Washington, D. C., died here from a blood clot on the brain Sunday. Dr. Sunderland was 83 years of age and for more than 20 years had been an active member of the gospel. For 48 years he was pastor of the First Presbyterian church at Washington. He officiated when Mr. Cleveland married Miss Folsom.

Negro Lynched.

Suffolk, Va., July 1.—Accused of invading the bedchamber of Miss Kate Clark near Triplets, Va., Sunday night, Joseph Walton, a negro, was taken from jail at Lawrenceville, Va., by a mob of 100 men and lynched. Walton protested his innocence. Miss Clark was not given an opportunity to identify him.
